THE PANHELLENIC CREED

WE, THE UNDERGRADUATE MEMBERS of women's fraternities, stand for good scholarship, for guarding of good health, for maintenance of fine standards, and for serving, to the best of our ability, our college community: Cooperation for furthering fraternity life, in harmony with its best possibilities, is the ideal that shall guide our fraternity activities.

WE, THE FRATERNITY WOMEN OF AMERICA, stand for service through the development of character inspired by the close contact and deep friendship of individual fraternity and Panhellenic life. The opportunity for wide and wise human service, through mutual respect and helpfulness, is the tenet by which we strive to live.

The following comparison of costs is available for your information. Any specific costs will need to be obtained from the college Panhellenic office; this information is to serve as a guide only. Several definitions are included for clarification.

House Fees are used for the upkeep of those areas in the house used by the chapter as a whole. This portion is not applicable if members reside in-house on campus as this is then covered under room and board. These fees may apply even if the chapter does not reside in a house.

Financial bills to the sorority can include any or all of the following:

Activity Fund
Parties/T-shirts
New Member Fee
Initiation Fee
Sorority Pin

RECRUITMENT TIPS

1. Develop or improve your self confidence. Remember, recruitment is marketing yourself.
2. Personal presentation is an important part of recruitment. Be aware of the benefits of good health and exercise to insure you are physically at your best.
3. Your clothes for recruitment should fit into your personal style while expressing a poised polished image.
4. Get lots of sleep!!!
5. Learn how to start a conversation by asking open-ended questions-ones that cannot be answered with a simple yes or no.
6. Have genuine and honest conversations.
7. **DO** talk about summer vacations, college sports you enjoy, your major, where you are from, hobbies and interests, where you are living, or even the weather.
8. **DON'T** talk about other sororities, who you know in sororities, boyfriends, politics, fraternities, religion, or other controversial subjects.
9. Be interested and ask questions of the sorority members during recruitment.
10. **SMILE!** Your smile is the most important thing you wear every day during recruitment.
11. BE YOURSELF.
12. Attend pre-recruitment functions if applicable.
13. Be open-minded and friendly to all sororities.
14. Let good taste and good manners guide your conduct during recruitment.
15. Avoid pressure from people you know; choose the place that's the best fit for you.
16. Most forms of social networking (i.e., Facebook, Twitter, Instagram, etc.) are accessible to others, including sorority members – you can be certain they will be checking and looking!

MOST IMPORTANT – **Do not** decide **BEFORE RECRUITMENT** which sorority you want to join. All sororities have much to offer and you can't learn everything about them until you have gone through recruitment. Only then can you select the sorority in which **YOU** feel the most comfortable. Remember, your decision is for a lifetime!

An Important Word for Parents

As tempting as it may be, any gift (flowers, baked goods, etc) delivered to the chapter in support of a particular potential new member is not considered during membership selection and will not increase the PNM's chance at receiving a bid.

Let your daughter's decision be her own. She is the one who will have these women as her sorority sisters for a lifetime.

RECRUITMENT PICTURES

Two poses may be submitted with each information form. One picture can be a “head and shoulders” close-up. The second can be ¾ or full-length picture. (4” x 6” or wallet size only). On the back of your pictures, list the following information: your name, the name of your high school, the university you will or currently attend, your hometown city, and classification for next year (freshman, sophomore, etc.). Creating labels to stick on the back of the picture with this information is preferred and makes the process easier to complete.

The photos do not need to be taken by a professional, but they should be clear, flattering, and as close-up as possible. The pictures will be scanned, so ensure they are clear enough.

These pictures are used so that the girls will recognize you.

Please note that some campuses will require you to submit photos to the College Panhellenic upon registration for recruitment. These photos are generally distributed to the individual sororities on campus.

*National Panhellenic does not require the submission of photos with recruitment information.
